

FXI.com

Presenting an entire portfolio of prevention.

The BodyZone® family of pressure redistribution solutions spans from Stretcher to Bariatric, and every need in between. The entire BodyZone Medical Mattress Replacement System is specifically engineered to redistribute pressure that occurs between the body and support surface. Ultimately, BodyZone from FXI uniquely envelopes the body to protect the patient.

Call **1-800-729-2527**, or email **bodyzonesupport@fxi.com** to learn more about this complete portfolio of care and protection for the entire body.

Uniquely supporting patient health.
